

July 12, 2022

Allen Township
Northampton County
State Route 3016 (Indian Trail Road), Section 01B
Bridge Replacement Project

TO THOSE ON THE ATTACHED LIST:

The purpose of this letter is to invite you to a project update for the SR 3016 (Indian Trail Road) bridge replacement project pursuant to the request in the resident petition dated May 26, 2022. The meeting will consist of a brief presentation including a plans display and a question-and-answer period. The meeting will take place **July 27, 2022 at the Allen Township Fire Company Building located at 3530 Howertown Road at 6:00 PM.**

The Pennsylvania Department of Transportation is planning to replace the SR 3016 (Indian Trail Road) bridge over Hokendauqua Creek in Allen Township, Northampton County, PA. The proposed project will replace the existing bridge to provide continued safe and efficient access for the traveling public on SR 3016. A Virtual Public Plans Display was previously hosted on Allen Township's website beginning July 1, 2020 in order to solicit comment and fulfill National Environmental Policy Act (NEPA) requirements. This approach was taken due to the COVID-19 pandemic and restrictions on public gatherings at the time.

Thank you for your understanding as we make every effort to maintain the project schedule and ensure we are soliciting feedback from affected stakeholders. Should you have any comments or require additional information on this project, please contact Consultant Project Manager Michael Mignella, P.E. at (610) 783-3828 or by email at c-mmignell@pa.gov.

Sincerely,

A handwritten signature in blue ink that reads "David J. Rostron".

David J. Rostron, P.E.
Acting Assistant District Executive – Design
