Christmas Tree Collection

Allen Township residents may place their live/real Christmas trees curbside for collection by the Public Works Department.

Please place your undecorated Christmas tree curbside on the evening prior to trash collection. Public Works will continue to drive around the municipality throughout January to collect trees on Thursdays with your regular garbage collection.

Residents who wish to dispose of their tree in this manner must remove all ornaments, tinsel, decorations, and lights from the tree before placing it curbside.

If you need to speak with the Public Works Department directly, they can be reached at 610-262-7012 ext. 105.
