

Electronic/White Metal Goods

White Metal Goods

Appliances such as air conditioners, refrigerators and freezers (with doors and Freon removed), washers, dryers, hot water heaters, dehumidifiers, bicycles, and lawnmowers (with oil and gas removed), BBQ grills (with gas and/or charcoal removed), and various other household metal items will be accepted twice (Spring and Fall) on the dates listed below. Electronics are not included in the White/Metal Goods curbside collection dates.

- March 13, 2025 (Spring Collection)
- November 13, 2025 (Fall Collection)

If you are unsure if an item is categorized as White/Metal Goods, Bulk, or Electronics, please give JP Mascaro and Sons (1-800-333-4624) a call prior to placing your item at the curb.

Electronic Recycling

Beginning January 24th, 2013, a disposal ban on covered devices went into effect in Pennsylvania. From this point forward, no person may dispose of a covered device, or any of its components, with their municipal solid waste. These items are required to either be transferred to certified electronics recycling facilities (if the item is intact) or treated as hazardous waste (if the item has been physically broken and the original components are not intact).

Covered devices include: desktop computers, laptop computers, computer monitors, computer peripherals and televisions. The Township and Northampton County periodically schedules drop off events for acceptance of Electronic Items for recycling.

The [Allen Township Electronic Recycling Event](#) (for Township residents only) has been scheduled for Saturday, August 16th, 2025 from 9AM to 12 NOON at the Allen Township Fire Company Building.

Additionally, electronics can be recycled at various retail stores. Please contact the below locations for additional information on accepted electronics and any associated fees.

There will be a cost to you for disposal for certain locations and items.
